Representation from Sri Veeraswami of Pedamushidivada village, Anakapalle taluk.

* 344 *Q*.—SRI M. VEERABHADRAM : Will the Hon. the Minister for Land Revenue be pleased to state—

(*a*) whether a petition, dated 10th July 1952, from Jannarapu Veeraswami of Pedamushidivada village, Anakapalle taluk, regarding the dispute about banjar lands was received by the Government; and

(*b*) if so, what was the action taken?

THE HON. SRI M. A. MANICKAVELU NAICKER :—" (*a*) No, Sir. But a petition, dated 28th August 1952, has been received from Jannar/apu Veeraswami and others.

6th April 1953]

"(b) The Government examined the petition and found that all the lands referred to in the petition were not in the occupation of the petitioners. Some were in the occupation of caste-Hindus. The Government have, however, ordered that assignable banjar lands in the village be assigned to landless poor applicants likely to take to direct cultivation at a rate not exceeding five acres of dry land each, after evicting encroachers who are not landless and poor persons. The Government have also ordered that the lands should not be assigned to persons who own five acres of dry or more."

SRI M. VEERABHADRAM :—" Sir, as most of these people are Burma evacuees and most of them are Harijan landless poor people, will the Government categorically direct the District Collector to assign land to these particular Harijans?" 8-50 a.m.

THE HON. SRI M. A. MANICKAVELU NAICKER :—" The Collector has been directed to assign the lands to the landless poor, and the Harijans and the Burma evacuees also come under this category, I suppose."

SRI P. PUNDARIKAKSHACHARYULU :—" May I know, Sir, what is the extent of land available for assignment to the landless poor?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—" I want notice."

SRI K. GOVINDA RAO :—" Why did it take such a long time as five long years to dispose of this matter, please?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—" There seem to have been some disputes over that; and naturally it took a long time to enquire."

SRI G. LATCHANNA :—" In assigning the lands is there any distinction made or preference given to the landless poor only, as between Harijans, Burma evacuees and the backward classes?"

THE HON. SRI M. A. MANICKAVELU NAICKER :— " Landless poor are landless poor; but it depends upon the particular officer. He may have a slight bias for the Burma evacuees."
